Rikors tar-Reverendu Kappillan, Parrocchia Attard

Monitoring ta' hsarat li qed jizviluppaw fil-hajt tač-Ċentru Parrokkjali

Nesponi bir-rispett illi l-parrocchia ta' H'Attard, flimkien mal-Parit Hermann Bonnici, għandna bżonn li nagħmlu monitoring fuq il-hajt tal-ġenb tač-Ċentru Parrokkjali, li jagħti fuq it-triq prinċipali, peress li dan jidher li qed jičcaqlaq. Minbarra li dan qed jikkaguna konseturi fuq għewwa tal-binja, dan jista' jkun ta' periklu, u għalhekk għandu jiġi rranġat.

Għaldaqstant ġibna stima mill-kumpanija Terracore biex isir dan il-monitoring halli jkun stabbilit x'azzjoni għandha tittiehed biex il-hsara ma tkomplix tikber.
L-istima, annessa, hi ta' €27924.11.

Kien hemm qbil fil-KPP u l-KEP li dan ix-xogħol isir kemm jista' jkun malajr.

Nitlob il-barka pastorali tiegħek.

Fr Joe Grech
Kappillan
