Jesponi b'rispett: Proġett ta' pittura fil-Knisja tal-Manikata

Fl-okkażjoni storika tal-Ħamsin Sena Anniversarju minn meta l-Parroċċa tal-Manikata twaqqfet bħala Parroċċa, hrigna bl-idea li ssir pittura fil-Knisja Parrokkjali fuq il-ħajt tal-abside, li jsegwi t-tul tal-ħajt tas-sejgieħ.

Ser jiġu raffigurati xi rakkonti evangeliċi mil-ħajja ta' San Ġużepp, patrun tal-Parroċċa tagħna: il-Holma ta' San Ġużepp, it-Twelid ta' Ġesu' Kristu, il-Ħarba lejn l-Eġittu, u l-Preżentazzjoni ta' Kristu fit-Tempju.

L-idea hi li l-istil ikun monokromatiku b'xi partijiet indurati bid-deheb, dan sabiex il-pittura tkun f'sintonija mal-bqija tal-Knisja kif wiehed jista' jara fl-abbozzi meħmużin.

Il-Perit Richard England aċċetta li nkun jiena l-pittur ta' din l-opra, u dejjem jekk din il-proposta tiġi aċċettata, biħsiebni nikkonvolgi xi assistenti, bħalma dejjem nagħmel fi proġetti simili, sabiex dan il-proġett ikollu għan pastoral wkoll.

Bħala bażi għall-pittura, mhux ser ikun hemm interventi ta' modifika strutturali tal-bini, u ser jintużaw *gypsum boards* li se jiġu miksijin bil-ġips biex fuqhom isir intervent pittoriku. Ix-xogħol mhux se jkun intervent permanenti, se jehlu *gypsum boards* bil-viti mal-hitin.

Tajjeb li nsemmi li l-Perit Richard England huwa involut direttament f'dan il-proġett. Tista' ssib meħmuż xi disinji tiegħu li juru l-idea originali ta' din il-pittura. L-idea hi li

jkun hemm rapport man-naħa l-oħra tal-Knisja fejn hemm forma simili għat-tond li fuqha hemm il-Via Sagra.

Rigward l-ispiza, il-Parroċċa ser tfittex benefatturi u jekk ma jinstabux biżżejjed jintużaw il-flus li hemm imfaddlin fil-kont tal-Parroċċa.

Stima tax-xogħol:

Waqt li nistennew risposta jekk nistghux naghmlu dan il-proġett, nitlobok tberikna.
