Development Planning Act, 2016 Request For SCH Clearance

We refer to your development notification, received on 18 February 2025.

Please note that the application cannot be considered through the DNO unless you obtain SCH clearance. To facilitate this process, the SCH is being copied in this correspondence.

Clearance is to be submitted by 28 May 2025. In the event that such clearance is not submitted in time, the application will be set as invalid and a separate request would need to be submitted if/when SCH clearance is forthcoming (unless you opt to apply for planning permission). If you opt to submit a separate application for planning permission it would be appreciated if you could submit correspondence in this DN request notifying us of your intentions.

Yours faithfully,

Albert Vella
for Executive Chairperson
