Dear Chairperson

I trust that all is well.

Our parish is applying for funds from Arts Council Malta to restore the 17th Century oil canvas painting depicting 'The Dead Christ' by artist Stefano Erardi. This painting is part of the collection of valuable paintings that we have in the church of St Lawrence.

We have already commissioned *Atelier del Restauro* to prepare a report and give us a quotation.

We duly ask for the necessary authorisation from the Catholic Cultural Heritage Commission to proceed with the application.

Thank you for your kind consideration.

Warmest regards

Rev Can Carmelo Busuttil
Archpriest
