Dawl minn barra ghall-Knisja Parrokkjali ta' Hal Kirkop

Rikors ta' Fr Martin Cardona

Eccellenza,

Bir-rispett kollu nesponi li ghadna kif irrestawrajna l-knisja minn barra. Fuq iz-zuntier ghandna ghaxar uplighters antiki li ma jahdmux u jintlew bl-ilma. Il-gvern bi hsiebu jdawwal il-knisja b'wahda minn dawn is-sistemi:

1 isiru tmien poles fuq ic-cinta b'ghaxar floodlights biex idawlu l-hames faccati ta' quddiem

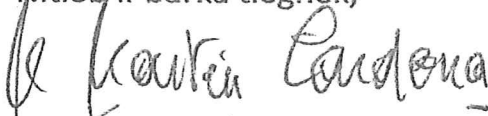

2 isiru floodlights fuq base (biex nevitaw l-ilma) mad-dawra taz-zuntier b'xibka madwarhom ghas-safety

3 floodlights fuq ic-cnut li jdawlu l-faccata principali

Is-supply jittiehed mill-floodlights tal-koppla li huma mas-sistema tal-gvern. Stima ma tistax tinghata mill-gvern ghax hi kunfidenzjali pero' meta tlabna stima mill-privat, ammontat ghal c 10,000 euro. Fis-16 ta' Settembru il-KPP jaqbel li l-knisja restawrata issa tigi mdawla.

Nitlob li nkun awtorizzat inwettaq l-ahjar ghazla mit-tlieta imsemmija.

Nitlob il-barka tieghek,

Fr Martin Cardona

Dear Fr Marin Cardona,

With reference to your application on the Public works portal REF W20240804 here is a brief plan of what will be done.

8 eight 30W LED flood lights connected to galvanised pipe directly attached on the sill using 6mm stainless steel fisher screws and will connect to the already existing flood lights.

Thank you and regards

Skuzani li qed nirrispondik tard. Ghalissa se nirrispondik fuq ir-restawr u l-uplighters

1. ir- restawr naqblu li jsir tal - Atelier. Skond min jifhem jaghmlu xoghol tajjeb u huwa l irhas ghax hemm differenza mhux hazin fil-press komparat mal-ohrajn. Nistghu forsi nitkellmu mall- Ministru Owen Bonnici ghal xi fondi.

2. Naqblu li jsiru l-uplighters. Ma nifhimx ghaliex ma jistax isir gbir mill knisja. Forsi ghax ghandna progetti oħra mibdiġin?
