Your kind views are being consulted about communication hereunder.

Site is scheduled Grade 1 as published in GN782/11 dated 26th August 2011.

The subjects mentioned are in reinforced concrete which is all cracking and is inaccessible. In our opinion there is no other way but complete replacement (see image hereunder)

We will discuss internally and revert.

[@Azzopardi Mark at RPD](#) – Director RPD

Kindly provide any images you may have and proposed methodology you envisage. From SCH perspective an online meeting is sufficient provided the methodology you propose may be shared on screen.

Sincerely,

Kenneth Cauchi

Subject: Manikata Church external sculptures

Good afternoon

RPD are planning to carry out restoration works on the “City of Towers” and “Labyrinth City” sculptures, which are located on the Manikata Church parvis. We would like to set up a meeting to discuss the restoration works to be carried out, particularly for the Labyrinth City sculpture. I will be unavailable next week up to the 4th November. Would it be possible to set up a meeting for the following week please?

Thanks and regards

Maria Roberta Mallia

Senior Architect and Civil Engineer
Restoration and Preservation Department
